## How to Register for NCAA

1) Go to <a href="http://eligibilitycenter.org">http://eligibilitycenter.org</a> or google "Eligibility Center" to find the website

2) Click on the green "Enter Here" tab under NCAA College-Bound Student-Athletes

3) Click on "New Account" on top right corner of brown page.

- 4) Enter your email and instructions will be sent to you via email about how to register for the Eligibility Center.
- 5) Complete the steps outlined in the email.
- 6) Remember to select NCAA (code: 9999) as an organization to receive your SAT/ACT scores when you register to take the SAT/ACT. If you don't, you will have to send your scores to NCAA at a later date and pay a fee.
- 7) If you have free/reduced lunch, you may qualify for a SAT/ACT registration fee waiver which will qualify you for a NCAA fee waiver. Please see your school counselor for questions about SAT/ACT/NCAA fee waivers.

(Dalton High School Code is 110-970)

## NCAA ELIGIBILITY CENTER QUICK REFERENCE GUIDE

# Divisions I and II Initial-Eligibility Requirements

#### **Core Courses**

NCAA Divisions I and II require 16 core courses. See the charts below.

Beginning August 1, 2016, NCAA Division I will require 10 core courses to be completed prior to the seventh semester (seven of the 10 must be a combination of English, math or natural or physical science that meet the distribution requirements below). These 10 courses become "locked in" at the start of the seventh semester and cannot be retaken for grade improvement.

Beginning August 1, 2016, it will be possible for a Division I college-bound student-athlete to still receive athletics aid and the ability to practice with the team if he or she fails to meet the 10 course requirement,

but would not be able to compete.

#### **Test Scores**

Division I uses a sliding scale to match test scores and core grade-point averages (GPA). The sliding scale for those requirements is shown on Page No. 2 of this sheet.

Division II requires a minimum SAT score of 820 or an ACT sum score of 68.

The SAT score used for NCAA purposes includes only the critical reading and math sections. The writing section of the SAT is not used.

The ACT score used for NCAA purposes is a sum of the following four sections: English, mathematics, reading and science.

When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 to ensure all SAT and ACT scores are reported directly to the NCAA Eligibility Center from the testing agency. Test scores that appear on transcripts will not be used.

### **Grade-Point Average**

Be sure to look at your high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilinycenter.org). Only courses that appear on your school's List of NCAA Courses will be used in the calculation of the core GPA. Use the list as a guide.

Division I students enrolling full time before August 1, 2016, should use Sliding Scale A to determine eligibility to receive athletics aid, practice and competition during the first year.

Division I GPA required to receive athletics aid and practice on or after August 1, 2016, is 2.000-2.299 (corresponding test-score requirements are listed on Sliding Scale B on Page No. 2 of this sheet).

Division I GPA required to be eligible for competition on or after August 1, 2016, is 2.300 (corresponding test-score requirements are listed on Sliding Scale B on Page No. 2 of this sheet).

The Division II core GPA requirement is a minimum of 2.000.

Remember, the NCAA GPA is calculated using NCAA core courses only.

#### **DIVISION I 16 Core Courses**

- years of English.
- years of mathematics (Algebra I or higher).
- years of natural/physical science (1 year of lab if offered by high school).
- vear of additional English, mathematics or natural/physical science.
- years of social science.
- years of additional courses (from any area above, foreign language or comparative religion/philosophy).

#### **DIVISION II 16 Core Courses**

- years of English,
- vears of mathematics (Algebra I or 2 higher).
- years of natural/physical science (1 year of lab if offered by high school).
- years of additional English, mathematics or natural/physical science.
- years of social science.
- years of additional courses (from any area above, foreign language or comparative religion/philosophy).
